Sending Thanks

march 10, 2012

pear grandma,

I wanted to write you a note to say thank you for my present. It came in the mail yesterday, the day before my birthday. I love the books! How did you know that I was reading the series on ancient Egypt? Did my dad tell you that I am interested in that topic?

I also loved the soccer clothes. My spring season starts in a few weeks, and I can wear these clothes for my weekly soccer practice. I really hope I score a few goals this season. I'm going to work really hard to try to make that happen.

when will you be able to visit me here? I miss you so much and hope we can see each other soon. I know the plane ride can be a long one, but I really hope that I see you.

pid my mom tell you that I am almost done with third grade? I have only six more weeks until summer vacation, and I can't wait for the break. We are going camping at the river. I am so excited to jump into the water with the rope swing. That is the best!

I love you, grandma. Thanks again for my birthday presents.

sincerely,

greta
