GRADE 6

COMPREHENSIVE SCIENCE I

- Follow the directions for the virtual lab game: “Cell Explorer”
- <https://biomanbio.com/HTML5GamesandLabs/Cellgames/cellexplorerpage.html5.html>
- Click on “Start a New Game” and play through the 4 Missions (Recon, Escape, Defense, Construct) to learn the makeup of a eukaryotic cell and its organelle functions.
- Take a screenshot of the completed eukaryotic cell in Mission 4: Construct.
