## **Message from the Principal**

Welcome to the 2025–2026 school year at Dr. Rolando Espinosa K-8 Center! As the proud principal of this incredible school, I am honored to lead alongside a team of highly qualified and passionate educators, amazing students, supportive families, and a dedicated PTA. This year's theme, *DRE Connections*, celebrates the power of relationships—between students and teachers, families and staff, and among peers and community partners. It's a reminder that learning doesn't happen in isolation; it thrives through meaningful interactions, shared experiences, and a collective commitment to growth. Whether it's a moment of encouragement in the classroom, a collaboration among colleagues, or a celebration that brings us together, every connection strengthens the fabric of our school. We are excited to begin what will be a truly great year, and we're proud to share that DRE has officially been recognized as an **A School by the State of Florida**—a powerful reflection of the dedication and excellence of our entire school community. Even more exciting, we are now the **first and only magnet school in the City of Doral**, launching our Communications Magnet Program (DREcomm) to inspire innovation and creativity in every classroom. At DRE, we believe in setting high expectations and working together to ensure every student thrives. Each faculty and staff member plays a vital role in making connections, and when we unite our talents and passion, we create something truly extraordinary. Let's continue to support and uplift one another as we continue to make connections together. Stay connected with us by visiting [DREK8.net](https://www.drek8.net) and following us on Instagram at [@DREpanthers](https://www.instagram.com/DREpanthers).

Sincerely,

Phil A. Mato  
Principal

# Biography of Dr. Rolando Espinosa

1925 - 2006

Dr. Rolando Espinosa was born in the Cuban province of Matanzas in 1925. He devoted himself from an early age to teaching and working with educational institutions within the Methodist Church. While living in Cuba, Dr. Espinosa headed the National College of Pedagogues and helped found the Candler Methodist University in the province of Havana. Dr. Espinosa immigrated to the United States in 1962 and made Miami his new home. He spent 25 years teaching at St. Thomas University (formerly known as Biscayne College), Florida Memorial College and Miami Dade County Public Schools. Dr. Rolando Espinosa continued the work he originally started in Cuba. He paved the way for hundreds of professionals who fled Cuba without documents enabling them to continue their careers in exile. Dr. Espinosa was well known in the community as a humanist, educator, pastor, and a symbol of Cuba. Although he was a Presbyterian, he dedicated most of his life to working with the Methodist church, and towards the end of his life the church acknowledged his many contributions by ordaining him as an evangelical minister. He died on July 24, 2006 at the age of 80. He is survived by his wife Arminda Espinosa.

- **Early Sign Out**

The early release of students causes disruption to the academic performance of all students and may create safety and security concerns. No students shall be released within the final thirty (30) minutes of the school day unless authorized by the principal or principal's designee (i.e., emergency, sickness).

- **Late Arrival**

Students who are tardy to school must report to the Attendance Office to secure an admit. Excessive tardiness may result in loss of privileges, detention, parent conference, and/or suspension.

- **Lost and Found**

Articles found in and around the school should be turned into the main office or PTA office where the owners may reclaim their property upon proper identification in the clinic. Students may claim lost property before and after-school. Please properly label any of your child's possessions in the event they are misplaced at school. These items may include lunch boxes, coats, sweaters, wallets, purposes, etc. Parents are advised not to allow children to wear expensive jewelry or bring extra money to school.

### **CODE OF STUDENT CONDUCT (COSC)**

The School Board of Miami-Dade County, Florida, approved The Code of Student Conduct (COSC). The COSC focuses on providing and maintaining a safe and positive learning environment for students, faculty, staff and community.

A major consideration in the application of the COSC is cultivating a positive school climate to support academic achievement, promote fairness, civility, acceptance of diversity, and mutual respect. Toward that end, the range of inappropriate behavior is divided into five groups, along with both recommended and mandated corrective strategies.

The COSC addresses the role of the parents/guardians, the students, and school, but also focuses on core values and model student behavior, rights and responsibilities of students, addressing student behavior, and disciplinary procedures. Furthermore teachers, counselors and administrators work to use a variety of progressive corrective or guidance strategies to correct the inappropriate behaviors.

Differences in age and maturity are recognized in determining the types of corrective strategies to be taken. However, the procedures outlined in the COSC apply to all students under the jurisdiction of Miami-Dade County Public Schools. The COSC is in force during regular school hours, while students are being transported on a school bus and at such times and places – including but not necessarily limited to school-

sponsored events, field trips, athletic functions and other activities – where appropriate school administrators have jurisdiction over students.

Principals are authorized to take administrative action whenever a student's

off-campus conduct poses a threat or danger to the safety of other students, staff, School Board members, any other members of the District Community, or school property may constitute behavior that has a substantial adverse impact on the educational environment requiring disciplinary action. Types of behaviors range from acts that disrupt the orderly operation of the classroom, school functions, and extracurricular activities or approved transportation to the most serious acts of misconduct and violent actions that threaten life.

The Code of Student Conduct outlines expected student behavior and a multitude of corrective strategies should misconduct occur.

The COSC addresses students' rights and responsibilities pertaining to the right to learn; attendance; students' records; grades; free speech, expression and assembly; and publications. It also outlines parents' rights in regard to assuring their child's opportunity for an education.

Students or parents having problems interpreting the COSC should address concerns through the school principal. Additionally, should the concerns not be resolved at the school level, an appeal can be made at the region office and subsequently to the District.

The Code of Student Conduct can be accessed by going to the following website: <http://ehandbooks.dadeschoolbtols.net/policies/90/index.htm>. If you do not have access to the Internet, you may go to your child's school and request to review the Code of Student Conduct manual.

Please take the time to review and discuss the importance of the *Code of Student Conduct* with your child or children. After reviewing the *Code of Student Conduct*, you and your child/children must sign, date, and return the *accompanied* Parent Receipt and Acknowledgement Form to your child's school within 5 school days.

### **ACCIDENTS AND ILLNESS**

Parents, your child's health and well-being are important to us. If a child is injured or becomes ill while in school, parents will be contacted immediately, and the student will be kept as comfortable as possible. Parents must make arrangements to pick-up their child from the office. When parents cannot be contacted, the person(s) listed on the EMERGENCY CONTACT CARD will be called. **It is important that the information on the emergency contact card is current and updated whenever there are changes to telephone numbers.**

You can buy Student Accident insurance to provide coverage in the event your child is injured at school or on a field trip and needs immediate First Aid, ambulance, emergency room, or doctor's attention. The school has sent an application for this coverage home with your child. You may also purchase the insurance online at <http://www.k12studentinsurance.com>. A copy can also be located in the Aftercare office.

Any medical condition such as diabetes, asthma, or any other conditions that may prompt the child to become ill when participating in certain school activities, such as physical education, a statement of such condition issued by a physician must be submitted to the school stating the limitation and/or accommodations that should be made. Additionally, the teacher(s) must be made aware of this and/or any other condition that may affect the well-being of the child while in school.

If your child is ill, please do not send him/her to school. A student that contracts a contagious disease or condition, such as pink eye, chicken pox, ringworm, impetigo, or pediculosis (head lice) will be sent home from school and must remain at home until the condition or disease is corrected. In the event of a contagious condition, a doctor's note must accompany the child in order to return to school.

## **ACTIVITIES**

### **Clubs**

Miami-Dade County Public Schools' students may participate in a wide variety of activities, including student council, subject-area clubs, honor societies, service clubs, school publications and class activities. School-sponsored clubs may be curriculum-related or non-curriculum related.

Conversely, noncurricular-related clubs are student groups whose goals are special interest oriented and not directly related to the curriculum. Meetings of noncurricular-related clubs may be scheduled only at times when instruction is not taking place, either before or after school.

## **ATTENDANCE**

### **Attendance Policy – Board Rule 6Gx13- 5A-1.041**

### **Board Policy 5200**

We have established the following attendance policy procedures in accordance with the Miami-Dade County Public Schools Rule 6Gx13-5A-1.041.

There is nothing more important to successful school progress than regular and punctual school attendance. Students who are tardy or absent excessively from the instructional program will fall behind in their academic achievement. This can result in grade failure and loss of interest in learning.

**Please note that in order for students to be awarded perfect attendance, they must be present and on time daily. Perfect attendance certificates will not be awarded if tardies exist.**

Student attendance is a means of improving student performance and critical in raising student achievement. Together, the staff of Miami-Dade County Public Schools, students, parents and the community must make every effort to lessen the loss of instructional time to students. In order to accomplish this goal, on April 18, 2007, the School Board of Miami-Dade County, Florida approved a new Student Attendance Board Rule, which is stated below.

### **The Attendance Review Committee**

The Attendance Review Committee is comprised of a minimum of a student services representative and an administrator or administrative designee and will provide guidance and support to students with significant absences. They are expected to:

1. Provide early intervention by convening when students reach an accumulation of three (3) unexcused absences in a semester or ten (10) unexcused absences in an annual course.
2. Convene a minimum of six (6) designated times per year.
3. Give consideration to all extenuating circumstances surrounding student absences. The Attendance Review Committee is charged with the responsibility of prescribing activities designed to mitigate the loss of instructional time and has the authority to recommend the following:
  - a. Issuing of quarterly, semester or final grades.
  - b. Temporary withholding of quarterly, semester or final grades. The following are among possible options:
    - (1) Make-up assignments
    - (2) Attendance probation for the following grading period(s)
    - (3) Completion of a school service project
  - c. Permanent withholding of quarterly, semester or final grades and credit. The student is to be informed of his/her right of final appeal to the Region superintendent or designee.

4. Review attendance history for student(s) exhibiting patterns of excused and/or unexcused absences and provide appropriate referrals and counseling support.

### **Excused School and Class Absences and Tardies**

**Student illness:** Students missing 5 or more consecutive days of school due to illness or injury are required to provide a written statement from a health care provider. The written statement must include all days the student has been absent from school. If a student is continually sick and repeatedly absent from school due to a specific medical condition, he or she must be under the supervision of a health care provider in order to receive excused absences from school.

1. **Medical appointment:** If a student is absent from school due to a medical appointment, a written statement from a health care provider indicating the date and time of the appointment must be submitted to the principal.
2. **Death in family**
3. **Observance of a religious holiday or service** when it is mandated for all members of a faith that such a holiday or service be observed.
4. **School-sponsored event or educational enrichment activity** that is not a school-sponsored event, as determined and approved by the principal or principal's designee: The student must receive advance written permission from the principal or the principal's designee. Examples of special events include public functions, conferences, and region, state and national competitions.
5. **Subpoena by law enforcement agency or mandatory court appearance.**
6. **Outdoor suspensions**
7. **Other individual student absences** beyond the control of the parent/guardian or student, as determined and approved by the principal or the principal's designee. The principal shall require documentation related to the condition.

### **Unexcused School Absence**

Any absence that does not fall into one of the above excused absence categories is to be considered unexcused. Any student who has been absent from school will be marked unexcused until he/she submits the required documentation as specified above. Failure to provide the required documentation within three school days upon the return to school will result in an unexcused absence. Unexcused absences include:

1. Absences due to vacations, personal services, local non-school event, program or sporting activity
2. Absences due to older students providing day care services for siblings
3. Absences due to illness of others
4. Absences due to non-compliance with immunization requirements (unless lawfully exempted)

**Any absence that does not fall into one of the above is an Unexcused Absence.** A note must always be written to the teacher whenever a student is absent.

### **Late Arrival**

Students who are tardy to school **must be accompanied by a parent or guardian** and must report to the main office to secure a tardy pass. Excessive tardies may result in loss of privileges, detention, parent conference, and/or suspension. Late arrivals may be accrued and count towards unexcused absences.

**Excessive tardies will not be tolerated!**

### **BICYCLES**

### **BULLYING/CYBERBULLYING**

Miami-Dade County Public Schools is committed to providing a safe learning environment for all students and therefore all allegations of bullying/harassment are taken seriously. When concerned about bullying or harassment behaviors, contact your child's teacher immediately. You can verbally report your concerns and/or fill out the Bullying and Harassment Reporting Form. If the problem should continue to persist, notify the school's principal. You may also contact the Bullying/Harassment Helpline, staffed by the Division of Student Services staff at the District office. They can be reached at 305-995-CARE (2273). The Helpline is staffed from 7:30 a.m. - 4:00 p.m., Monday through Friday. ### **CARE OF SCHOOL AND PERSONAL PROPERTY**

It is important for parents and members of the community to instill upon children and young adults' pride in their school. It is forbidden for youngsters to be inside the building unauthorized. Writing on walls, damaging or stealing school property is considered a misdemeanor and offenders will be penalized accordingly through the justice system. Please direct your children to stay away from the building after-school hours or during weekends.

Students must not mark on school furniture, walls, ceilings, floors, or equipment with a pen, pencil, marker, or any other instrument. Students must not tamper with fire alarms, fire extinguishers, plants, trees, or any electrical system in the school. Anyone who willfully destroys school property through vandalism, arson, or larceny, or who creates a hazard to the safety of our students and staff will be referred to the proper law enforcement agency. Incident of destruction to school property before, during, or after-school should be reported to appropriate school personnel. If you should happen to damage something by accident, you should report it to a teacher of the office immediately.

Students are cautioned not to bring large amounts of money. Any audio/visual equipment such as radios, cameras, etc. are NOT allowed at school unless permission has been granted by the teacher for a special project or event.

Any item that is prohibited, or considered dangerous, may be confiscated by the staff and kept until the end of the school year. Parents will be required to come to school in order for the item to be returned to the student.

Notebooks, jackets, sweaters, raincoats, lunch boxes and/or wallets should be marked with the owner's name in large letters. The few minutes taken to do so makes return of lost items much more likely. When a student wears glasses or watches, we ask that the student take responsibility for the care of them.

Students should not leave money or other valuables inside their desks. The school administrators and staff cannot be responsible for valuables that students bring to school. It is recommended that students leave all valuables at home.

### **CELL PHONES**

As per HB 1105, DRE will continue to enforce the cellphone policy. Students are not allowed to use cellphones on school grounds. We want to increase academic and social engagement as well as limit incidents of cyberbullying and interruptions during class time. If a student is caught with a cellphone, the cellphone will be confiscated. The parent will need to pick up the cellphone. Possession of a cellular telephone is not a violation of the Code of Student Conduct (CSC). However, the possession of a cellular telephone which disrupts the educational process; the use of the cellular telephone during school hours; and the possession or use of a cellular telephone which disrupts or interferes with the safety-to-life issue for students being transported on a M-DCPS school bus, would be a violation of the CSC and is not permitted at DRE. **Please note that the school is not responsible for lost or stolen cellphones or electronic devices. Cell phones are to be kept inside the bookbags and turned off.**

### **CODE OF STUDENT CONDUCT**

Miami-Dade County Public Schools (M-DCPS) is committed to providing a safe teaching and learning environment for students, staff, and members of the community. The School Board approved a newly revised Code of Student Conduct (COSC). The revised COSC identifies, recognizes, and rewards model student behavior within a framework of clearly established and enforceable rules and policies. It advocates a holistic approach to promoting and maintaining a safe learning environment and requires active participation from students, parents/guardians, and school staff.

A major consideration in the application of the Code of Student Conduct is to identify the most appropriate disciplinary action to bring about positive student behavior. To that end, the violations have been divided into five subgroups and a variety of administrative actions, depending upon the severity of the misconduct, have been recommended or mandated. It should be mentioned here that before, during, and after the implementation of any disciplinary action, student services personnel play a vital role in assisting the student in resolving any problems influencing his/her behavior.

At Dr. Rolando Espinosa K-8 Center, we have established a behavior modification program to bring about positive student behavior. All staff members strive to implement this program. Students needing help are referred to the counselor. Depending on the severity of the behavior Parents are contacted as soon as problems that need their attention arise, and the administration has conferences with students and/or parents for appropriate and rapid intervention.

Since the primary purpose of the school is to provide an appropriate instructional program to meet the needs and challenge the abilities of each student, it is necessary that a safe learning atmosphere also be provided. A child's school behavior affects his/her self-discipline and his/her playmates. Most importantly, your child's school behavior affects his/her academic progress.

We believe that all of us – staff, parents, and students share in the desire to maintain the best possible educational climate. We all work constantly towards this goal. This type of climate helps to promote learning. We ask you cooperation in making certain that your son/daughter understands the need for responsible behavior.

We LOVE our children and we are proud of your parenting skills. The behavior expected from students at school is a combination of common courtesy and safety considerations. Please help us maintain a pleasant environment by following these rules.

- Fighting is **NOT** permissible and will **NOT** be tolerated. No one may hit another person or disturb another person's property or school property. Hands, feet, and objects are kept to ourselves. Refrain from intimidating, harassing or threatening others.
- Bullying will **NOT** be tolerated! No one may exhibit behaviors that include actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group.
- Students must use courteous language, be respectful at all times and follow directions the first time that they are given. Defiance of school staff will not be tolerated.
- Behave courteously to any adult and other students. The use of profane language or gestures is not allowed.
- Possession of weapons or other dangerous objects such as knives are not allowed on school grounds.
- Students are responsible for participating in class and completing and returning home learning as assigned daily.
- Students should **NOT** bring toys or any electronic devices such as IPOD's, Video Games, PSP, etc. to school. At no time during the school day will students be permitted to wear ear plugs and use cell phones without the permission of an adult. The school is **NOT** responsible for any of these items.
- Students should remain quiet and orderly in classrooms and hallways. Students must not run. They also may not be in the hallway alone without a hall pass.
- Students must walk in the hallway in a line with their arms at their sides at all times.
- Students are not allowed to bring gum to school.
- Students are not allowed to leave school grounds without the proper authorization.
- Follow all school uniform guidelines daily.

### **COMPREHENSIVE RESEARCH-BASED READING PLAN**

The goal of the Comprehensive Research-Based Reading Plan is to ensure that students are reading at or above grade level. The plan is aligned with the critical components of the multi-tiered system of supports framework, including data-based problem-solving, utilizing student-centered response to instruction/intervention data to make educational decisions. Key elements of a multi-tiered system involve 1) providing effective core instruction for all students; 2) administering high quality assessments to monitor

progress and identify students and systems in need of intervention; 3) instructional use of a wide variety of complex texts to challenge student vocabulary and comprehension learning; and 4) designing and implementing interventions that are matched to student needs. Through the implementation of the K-12 Comprehensive Research-Based Reading Plan, Florida schools continue to build proficiency in the implementation of an effective multi-tiered system of supports meeting the needs of all students.

Students entering middle school who are not reading on grade level have a variety of reading intervention and learning needs. A single program or strategy is not sufficient for remediation, and, likewise, remediation is not sufficient for low-performing middle school and high school students. In addition to focusing on the development of foundational skills, instruction needs to engage students in complex cognitive tasks that challenge students to apply their foundational skills. This application needs to include high-level thinking opportunities for students to grapple with and construct meaning from complex texts.

### **CONFIDENTIAL INFORMATION**

Parents, guardians and students are protected by The Family Educational Rights and Privacy Act and the Florida Statutes from individuals' access to information in students' educational records and are provided the right to challenge the accuracy of these records. These laws provide that without the prior consent of the parent, guardian or eligible student, a student's records may not be released, except in accordance with the provisions listed in the above-cited laws. The laws provide certain exceptions to the prior consent requirement to the release of student records, which include, but are not limited to, school officials with a legitimate educational interest and lawfully issued subpoenas and court orders.

Each school must provide to the parents, guardians or eligible students annual notice in writing of their right to inspect and review student records. Once a student reaches 18 years of age or is attending an institution of post-secondary education, the consent is required from the student only, unless the student qualifies as a dependent under the law.

### **CONFLICT RESOLUTION**

Resolutions to conflict are resolved in a nonviolent manner. If there is a conflict between students, please encourage your child to seek to their teacher or counselor for assistance.

### **CURRICULUM**

At Dr. Rolando Espinosa K-8 Center, high expectations for students are set and maintained. Our curriculum is invigorating and challenging. Florida B.E.S.T. Standards and Cambridge Studies represent an approach to instruction which emphasizes the application of knowledge in a manner which may be observed and measured. The lessons require students to engage in activities designed to apply learning with an increased emphasis on higher order thinking skills. Students are evaluated not only on knowledge gained, but primarily on their ability to perform tasks associated with the knowledge acquired.

### **CYBERBULLYING**

Cyberbullying is a form of bullying that takes place virtually over digital devices such as computers, smartphones, and tablets. Cyberbullying most commonly takes place via social media, texting, instant messaging, and email. Say NO to cyberbullying! If you or someone you know is being bullied, report this information to the Bullying/Harassment Anonymous Hotline at 305-995-CARE (2273). Resources:

### **DELIVERIES TO STUDENTS / STAFF**

In order to maintain an optimal learning environment, we must ensure that each classroom is minimally interrupted during the day. Therefore, we will not make any deliveries to students or staff. We request your cooperation in preparing your child for school and in making certain that he/she has all the materials and assignments necessary for the day.

We will not deliver supplies, lunches, home learning assignments or projects to the classrooms. Also, please be advised that the office will not accept any field trip forms or monies on behalf of teachers, After Care, Community School, or cafeteria. We appreciate your cooperation and understanding in this matter.

### **DETENTION**

Occasionally, it may be appropriate to keep a child after-school to make up assignments that were not completed during the school day due to the child's misconduct, as a consequence for poor behavior, or for excessive tardiness to school. When after-school detention is necessary, you will be notified as to the time and the reasons before the child is actually detained. Parents are responsible for the student immediately after the dismissal of the detention. This includes providing transportation home for students serving detentions.

### **DISCRIMINATION/HARASSMENT**

The School Board has a prohibition against discrimination/harassment based on race, color, ethnic or national origin, citizenship status, religion, marital status, disability, genetic information, age, political beliefs, sexual orientation, gender, gender identification, social and family background, linguistic preference, pregnancy, and any other basis prohibited by law. Students are encouraged to promptly report incidents of discriminatory or harassing conduct to their Principal or the Office of Civil Rights Compliance (CRC) so that the conduct can be addressed before it becomes severe, pervasive, and persistent. The School Board has also adopted a policy Against Bullying and Harassment with Bullying defined by state law as systematically and chronically inflicting physical harm or psychological distress on one or more students. Complaints of bullying should be reported to the Principal promptly.

### **DRESS CODE – Board Rule 6Gx13- 5C-1.031**

### **Board Policy 5511**

### **EDUCATIONAL EXCELLENCE SCHOOL ADVISORY COUNCIL – EESAC**

The Educational Excellence School Advisory Council (EESAC) serves as a communication link between the administration, staff, students, parents, business organizations, and community of Dr. Rolando Espinosa K-8 Center. The EESAC assists in the preparation and evaluation of the School Improvement Process (SIP). Additionally, the council is responsible for addressing all state and district goals and has the authority to periodically review the SIP and amend as needed.

### **ELEVATOR**

The school elevator is to be used by individuals who are disabled or injured and cannot use the stairs.

### **EMERGENCY CONTACT INFORMATION**

Emergency Student Data Forms are distributed during the first week of school. Students are expected to bring the forms home and present them to their parents/guardians. The form must be carefully completed and returned. The information provided on the Emergency Student Data Forms will enable school staff to contact the parent/guardian immediately in the case of an emergency. Parent/Guardian(s) that provide a cell phone number will receive text messages should an emergency arise. Students may only be released from school to the persons listed on the form after presenting a picture identification. No persons, other than school staff, will have access to the information submitted. Any divorced or separated parent contesting the

information in the Emergency Student Data Form may seek assistance from the court governing their divorce, separation, or custody matters to compel the enrolling parent to revise the information.

### **FIELD TRIPS**

All fieldtrips must be approved by the principal and Region Superintendent. Participation in fieldtrips requires that the student present a fieldtrip form signed by the parent/guardian to his/her teacher(s) in advance. In addition, at times vendors who have a “no refund” policy will require schools to pay the full amount of the fieldtrip prior to the event. In this case, students/parents will be notified in advance of the vendor’s “no refund” policy.

Field trips are designed to enhance the curriculum by providing students with related experiences beyond the classroom. In order for students to participate in field trip activities, the following must be adhered to:

- Parents must complete the Parent Permission for Field Trip Form sent home by the teacher and return before the deadline.
- Parents must send in the money (**CASH ONLY**) to cover the cost of fees and transportation (as required) by the due date – money that has not been received by the due date will prevent the student from participating in the field trip. **REFUNDS WILL BE NOT BE ISSUED.**

- Students must wear the school T-shirt with uniform bottom or full uniform.
  - Students must arrive at school by 8:30 a.m. on the day of the field trip or they will be excluded.
- Students will not be denied the privilege of participating in a field trip due to behavior. However, the teacher will invite the parent to chaperone his/her child in case of continuous disruptive behavior. **Younger brothers and sisters are not allowed to participate with parent chaperones. Also, parent chaperone must be cleared as a school volunteer in order to accompany their child on a field trip.**

Any student not participating in a field trip will be assigned to another teacher’s class with appropriate class work for the student. When a field trip is scheduled, staying home will not be considered an **excused absence**. It is very important that parents adhere to field trip collection deadlines. We will not be able to collect any money or field trip forms past the specified deadline date. Please do not ask the office staff to place money, forms or any other items in teacher’s mailbox. Your child must hand deliver required documents to his/her teacher by the due date.

Virtual field trips are recommended and encouraged during the 2020-2021 school year.

### **FINANCIAL OBLIGATIONS**

All financial obligations incurred, i.e., school fees, textbook loss or damage, club activities, overdue or lost library books must be paid in the school’s treasurer’s office.

### **FREE BREAKFAST**

The National School Breakfast Program was enacted to ensure that school children are being served a nutritious breakfast daily. **Miami-Dade County Public Schools offers breakfast at no charge to all M-DCPS Students.** The breakfast at no charge is not dependent on the student qualifying for free/reduced meals at lunch.

### **FUNDRAISERS – Board Rule 6Gx13 – 5C-1.07**

### **Board Policy 5830**

Fundraising activities must be conducted during non-instructional class time, preferably before and after school. An *Application for Fundraising Activity*, M-DCPS Form 1018 must be completed. Regional Center approval is required for any fundraising activity where collections take place outside of school grounds. This approval can be obtained by completing M\_DCPS Form 5656, *Region Center Approval for Fundraising Activity (Community Sales)*.

Fundraising activities involving students working or providing services for community events or outside business organization for which compensation, monetary or otherwise, will be given, either to the students or the school, **are not** allowed to be conducted as school-sponsored/student fundraisers. Elementary school students are not allowed to participate in the sale of magazines.

### **GRADING SYSTEM/ REPORT CARDS**

Report cards are distributed every nine (9) weeks and are a record of the progress of each student. The sections on academic grades, effort and conduct are very important because the development of good work habits and attitudes tend to ensure effective learning of the necessary skills. A child is graded on mastery of grade level competencies. Letter grades of A, B, C, D, and F reflect the child's performance against grade level requirements. If there are any questions about your child's report card, please contact his/her teacher immediately.

It is the school's desire that every student work to the best of his/her ability at all times. Occasionally, however, it is desirable to inform parents or guardians of a student's unsatisfactory progress in time for the student to improve his/her work before the report card is prepared. The Interim Progress Report is to be signed by the parent or guardian and returned to the homeroom teacher.

A grade of "incomplete" (Inc) is given only in those cases where illness, emergency, or by pre- arrangement. An incomplete on the report card becomes an "F" four weeks from the date it is issued. Make-up work is the complete responsibility of the student.

### **Conduct**

Conduct grades are to be used to communicate to both students and their parents/guardians the teacher's evaluation of a student's behavior and citizenship development. These grades are independent of academic and effort grades.

### **Grade Point Average**

When calculating the grade for a semester or an annual course, the following grade point averages are to be used:

- A = 3.50 and above
- B = 2.50 – 3.49
- C = 1.50 – 2.49
- D = 1.00 – 1.49

## **HALLS/HALL PASSES - AGENDAS**

Students should be seated in their classroom when the tardy bell rings. With such a large number of students moving in such a limited time, it is incumbent on each person to move quickly and in an orderly manner observing normal traffic flow. Please do not push, run or loiter in the halls. Please cooperate with the security monitors in the exercise of their duties and present an agenda courteously when asked to do so.

At no time is a student to be out of the classroom during class without the agenda signed by the teacher or office personnel. Teachers are not to give verbal permission for a student to exit the classroom.

## **HEAD LICE (PEDICULOSIS CAPITIS)**

**Children with head lice are not permitted in school.** In the last few years there has been a significant increase in the incidence of Pediculosis Capitis (head lice). This is a national problem and Miami-Dade County is no exception. Having head lice should not be an embarrassment to anyone; any student can get it and the treatment is simple and inexpensive. By working together we can prevent a serious increase of Pediculosis Capitis. Please understand that children do not catch head lice from the school, rather, they get it from other children. If your child gets head lice, he/she must stay home until all lice and nits are removed.

Upon returning to school he/she will be sent to the office to get checked and secure permission from the office staff to remain in school. If you think your child is infected, please contact your child's teacher or the school office at (305) 889-5757 immediately so we can take the necessary precautions. The office personnel can also inform you on how to treat this condition.

## **HEALTH SCREENING**

**Tuberculosis Clinical Screening** - Each student shall have proof of a tuberculosis clinical screening and appropriate follow-up prior to initial enrollment in any grade in a Miami-Dade County Public School. This screening is to be administered at the time of the Student Health Exam and within twelve (12) months prior to initial enrollment in any grade in a Miami-Dade County Public School. If the screening indicates that a follow-up skin test is needed, a student can be admitted but only with a health provider's statement that the student is free of communicable tuberculosis and can attend school.

## **HOMEWORK**

Principals are encouraged to work with teachers and parents to implement guidelines found in [Homework Policy 2330](#). Teachers are required to provide students with make-up assignments once the absence has been excused; however, it is the responsibility of the student to request the assignments from the teacher(s).

### **Homework Policy**

Homework is an important part of each student's academic year. The purpose of this homework plan is to guide teachers, parents and students in ensuring that homework is meaningful and supports the learning experience for all students.

### **Purpose of Homework.**

The purpose for assigning homework is to give students the opportunity to extend lessons, practice skills, engage in critical thinking and develop good work habits. It must be:

- Connected to grade level or subject matter curriculum.
- Connected to class instruction.
- Engaging, purposeful and relevant.

### **Student's Responsibilities:**

- To understand all homework assignments by listening to directions, asking questions when something is unclear, and reading directions
- To gather all materials necessary to complete assignments before leaving the classroom

- To provide purposeful homework
- To provide clear directions and instructions
- To implement a system for routinely checking homework. Review, discuss and return, if collected, homework in a timely manner.

Teachers shall communicate homework assignments in at least one of the following ways: send a packet home, write assignment on the board, require students to record it, and/or make available through emails, websites or hotlines. The use of a variety of strategies is encouraged. To communicate with families when students are not consistently completing assignments

#### Time Allotments for Homework

Assignments shall be designed so that the typical student can complete all homework, including time for studying and preparing for exams, in the average minutes shown below.

Student academic capability should be considered when assigning homework. One size does not fit all. The recommended minutes include assignments for all subject areas and teachers collectively per school day:

Grades K-1: thirty (30) minutes;

Grades 2-3: forty-five (45) minutes;

Grades 4-5: sixty (60) minutes;

Grades 6-7-8: seventy-five (75) minutes

#### Homework Tips for Students

1. Record homework in the same location each day.
2. Ask clarifying questions to be sure the expectations on your assignments are clear.
3. Know, record and monitor due dates.
4. Have a quiet space with basic materials for homework completion.
5. Make homework part of your daily after school routine.
6. Take a break when tired; then resume work.
7. When you have questions about the homework, place a note next to it and ask the teacher the next day.
8. Respect that appropriate rest and physical activity are important for one's overall well-being.

Students must always get permission from their teachers prior to using the internet. In addition, the District prohibits the transmission of materials such as copyright material, threatening or obscene material or material protected by trade secret, which violate local, state, and federal law or regulation, as well as the use of the Internet for product advertisement, commercial activities, political campaigning or solicitation.

### **INSURANCE**

The Student Protection Plan is designed to cover students or injuries while traveling to and from school or when involved in accidents while engaged in supervised activities on the school premises. Participation in this program is voluntary.

### **MEALTIME ENVIRONMENT**

School lunchtime should be an opportunity to encourage healthy lifestyle, promote socialization that will affect early behaviors.

The Department of Food and Nutrition serves healthy meals daily. Please visit [nutrition.dadeschools.net](http://nutrition.dadeschools.net) for details on menus, programs, and services.

- ***Free Breakfast***

- ***Free/Reduced Price Lunch Program***

The USDA Child Nutrition Programs as administered by Miami-Dade County Public Schools provide free and reduced priced lunch for children unable to pay the full price. In place of the paper application, School Meal Program Brochures are distributed to all students informing parents on the application process and meal program. Parents are encouraged to complete an online application at the [Department of Food and Nutrition](http://freeandreducedmealapp.dadeschools.net) at [freeandreducedmealapp.dadeschools.net](http://freeandreducedmealapp.dadeschools.net). Paper applications are available in the school's front office upon request. Many students are approved through Direct Certification and do not submit a lunch application. If approved for meal benefits, the approval status is valid throughout the school year, the summer, and approximately the first twenty days of the next school year.

- ***Peanut Allergies/Peanut-Free School***

Parents/Guardians should notify the school principal of any allergy or other medical condition their child has and request the appropriate forms for completion.

### **MEDIA PROGRAM**

In addition to the regular media program and the scheduled book fairs, the Dr. Rolando Espinosa K-8 Center's Media Center offers a wide variety of activities that enhance the total school program. Our media specialist directs the News Team, which broadcasts live each morning. Children from all grade levels are trained as news commentators and become familiar with various aspects of closed circuit TV production. Students are responsible for the library books they check out. Please ensure that library books are turned in on time and any late fees are paid.

### **MEDICATION AT SCHOOL**

School personnel are required to follow the strictest guidelines to administer any medication to students. We urge you to dispense all medications at home whenever possible. If medication must be brought to school, the Miami-Dade County School Board has established clearly defined guidelines which we are required to follow.

All prescription or non-prescription medication require a Written Permission Form from the prescribing physician specifying dosage, child's name, and the time the medication is to be given along with the authorization for us to allow the child to take the medicine at school. Further, School Board policy requires each child to sign a log when taking medication. Non-prescriptive or over the counter drugs require a Written Permission Form that will also be kept on file in the main office.

### **MENTAL HEALTH SERVICES**

Miami-Dade County Public Schools established The Department of Mental Health Services to ensure the coordination of school and community resources and services to support the specific mental health needs of students. The programs in place provide prevention initiatives and also services for students with pre-existing mental health challenges. ### **OFF LIMIT AREAS**

Our school is maintained and operated for the benefit of our students. However, safety considerations dictate the designation of a few off-limit areas where students and parents are not allowed. These areas include the boiler room, storage areas, inner office, teacher's lounge, kitchen maintenance area, trash collection area, faculty parking lot and the delivery area.

### **OUT OF AREA STUDENT TRANSFER – Board Rule 6Gx13- 5A-1.08 Board Policy 5131**

A student may request an out of area transfer if the student resides with parent or legal guardian, and a change of residence occurs. The Region Superintendent (or designated Region Director) may administratively assign or approve the reassignment or transfer of students when the Florida Inventory of School Houses (FISH) capacity of the receiving school is below 100 percent.

### **PARENT CONFERENCES**

We appreciate the interest you express in the progress of your children. The relationship between school and home are always better enhanced by open discussions of mutual problems and proposals. A spirit of understanding, cooperation, and progress is what makes a school and community a better place to live and learn.

Conferences should be arranged only by appointment at the request of the parent, teachers, counselor, assistant principal, or principal. Only when a child feels that there is understanding, appreciation and active cooperation between home and school can he/she do his/her best in his/her schoolwork. Through conferences, parents and teachers gain a better insight into the child's needs, interests, potential and growth, as well as any particular challenges he/she may be experiencing in school.

If at any time there is a need or desire for a parent/teacher conference, please call in advance for an appointment at the school's telephone number (305) 889-5757. Please keep in mind that the teacher will return the phone call or e-mail within 24 hours from the time the teacher receives the message (subject to working hours).

### **PARENTAL INVOLVEMENT-ALWAYS PARENTS CAN HELP**

Parents are our children's first teachers. It is through developing a partnership of school and home that Dr. Rolando Espinosa K-8 Center can nurture a true family atmosphere. For this reason, we have made parents and community an integral part of the school. Teacher/parent communication takes place on an ongoing basis and trust is built to keep the lines of communication open between the school and home.

Other programs are available to strengthen parental responsibility and involvement through encouraging parents to:

- Serve on the Educational Excellence School Advisory Council (EESAC)
- Work as Dade Partners and/or School Volunteers
- Participate in offered parent workshops
- Join PTA

### **PARKING LOT**

Parents may not use the teachers' parking lot to load or unload their children. This parking lot is for the use of the school faculty only. We have limited parking spaces available. Parents who wish to come into the building may park in any of the designated 22 visitor's parking spaces located in the northwest side of the building.

### **PARTIES**

Classroom events may be planned by the teacher as part of his/her lesson of study. The teacher and the room parent will plan these events and will contact parents for assistance. Arrangements for these events will be in keeping with school policies.

***Birthday parties are not allowed. Cupcakes, cakes, balloons, etc. are not allowed.***

### **PAYPAMS**

Miami Dade County Public School's Department of Food and Nutrition allows parents/guardians the convenience to pay on-line via the internet or by telephone for their child's/children meals with a credit or debit card. The parent/guardians will create a lunch account on-line for the child and will be able to access the following:

- a. view the account balance
- b. schedule automatic payments
- c. receive low-balance e-mail reminders
- d. view a report of daily spending and cafeteria purchases

## **PERMANENT RECORDS**

Miami-Dade County Public Schools maintains the records of students in PK-12 and adult/vocational students enrolled in high school completion programs or vocational programs of 450 hours or more. Permanent records consist of the following student information:

- a) pupil's or student's full legal name
- b) authenticated birth date, place of birth, race, and sex
- c) last known address of pupil or student
- d) names of pupil's or student's parent(s) or guardian(s)
- e) name and location of last school attended
- f) number of days present and absent, date enrolled, date withdrawn

Under the Family Rights and Privacy Act of 1974, Dr. Rolando Espinosa K-8 Center has established written policies regarding the confidentiality of student educational and discipline records. These policies ensure privacy of student information and are in compliance with state and federal guidelines. Records are maintained in various offices on the school's campus and are available ONLY to teachers and staff members working directly with the student. Records are NOT released to any entity without prior written consent of the parent or guardian of the child. Parents of Exceptional Student Education students are advised of confidentiality of records during conferences. Any psychological or therapeutical testing that is recommended for students by the staff requires prior written notice to parents before any testing can occur. The principal has the responsibility of maintaining these records, and the office personnel will periodically review them for the purpose of correcting or deleting inaccurate, misleading or inappropriate information. You may arrange for an appointment to review your child's records.

## **PHYSICAL EDUCATION**

The Physical Education program motivates and teaches students to value physical fitness and provides activities important for the physical well-being of students. The basic purpose of Physical Education at Dr. Rolando Espinosa K-8 Center lies in the belief that all children of elementary school age should have an opportunity to develop fundamental skills of body movement toward attainment of a satisfying degree of physical fitness and build a wholesome attitude toward physical activity. Specifically, the students engage in team games, creative play, exercise and educational activities.

Students will be required to wear appropriate footwear for physical education. The School Board Dress Code for elementary is as follows:

- No metal/plastic football bleats on shoes.
- No clogs, thongs, sandals, or other shoes without back straps
- No hats except those worn for religious purposes.
- When physical education activities require it, girls should wear shorts under their skirts.

If your child is not able to participate in the Physical Education Program, a note must be signed by your doctor stating the reason for the exemption and the duration of the exemption. When a child has been ill for a day or so, a note from the parents can be used instead of a doctor's note. Parents are requested to inform the office and document any health, physical or medical problems that their child may have, such as a heart condition, high blood pressure, sickle cell anemia, asthma, etc. Knowledge of your child's health problems will assist our staff in helping your child if he/she becomes ill.

## **PREKINDERGARTEN PROGRAMS**

M-DCPS offers a variety of prekindergarten programs throughout the District. Parents should contact their home school for the available options for Pre-K students. For additional information on VPK or Head Start/Early Head Start Programs, parents may contact the Department of Early Childhood Programs at 305-995-7632. ## **SAFETY AND SECURITY**

- ***Emergency Operations Plan***

Student and employee safety is a primary concern of the Miami-Dade County Public School (M-DCPS) System. The Emergency Operations Plan (EOP) was created to provide school personnel with the necessary leadership skills and knowledge needed to respond to critical incidents or other related emergencies that may occur in our schools/community. All schools have a site-specific plan to address all types of critical incidents. These plans address the individual needs of the school and provide guidelines for devising methods for communicating with the staff, students, parents/guardians, and the media during a critical incident or an emergency. Some of the protective action procedures include emergency drills (active shooter, hostage, & bomb drills), , the evacuation of students/staff from the building(s), evacuation of the disabled and if necessary the relocation of students/staff from the school campus, lockdown procedures and holding/dismissing students during school and community emergencies. Some important tips for parents/guardians to remember during a Critical Incident are as follows:

- Remain calm;
- Monitor media outlets for updates and official messages from M-DCPS;
- Do not flood the school with telephone calls; and
- If the school is on lockdown, wait until the lockdown is lifted before going to the school.

All school administrators, Region Center Superintendents/Directors and all MDSPD Police officers have been adequately trained in the school EOP and are prepared to respond immediately during a critical incident or emergency to provide safety for all children.

- **Fire Drills**

Ten fire drills will take place during the school year according to the Miami-Dade County Public Schools Policy and Emergency Procedures. At the sound of the emergency bell, students must stop what they are doing and follow the teacher's instructions. Students must clear the building promptly by the prescribed route. Any student who is in the hallway or the restroom at the sound of the emergency bell must proceed to the nearest exit and locate the teacher. Students, teachers and staff must remain outside the building until permission is given to re-enter.

- **Emergency Drills**

Twenty-one emergency drills, to include one monthly active shooter drill and one hostage situation or bomb threat drill, will take place during the school year according to Florida Senate Bill 7026, also known as the Marjory Stoneman Douglas High School Public Safety Act. One additional active shooter drill must take place within the first 30 days of the opening of schools. All emergency drills shall be conducted in accordance with the appropriate corresponding situational response as outlined in the EOP and shall include developmentally appropriate and age-appropriate procedures.

- **Lockdown Procedures**

Lockdowns are utilized in response to an immediate threat posed to students and staff. Schools have successfully performed lockdowns in response to police activity adjacent to a facility and potential armed intruders onsite. Students, faculty and staff will comply with all the procedures outlined in the Miami-Dade Public Schools Critical Incident Response Plan and remain on lockdown until a school administrator and/or law enforcement makes an "All Clear" announcement.

- **Threat Assessments**

Miami-Dade County Public Schools (M-DCPS) has a mandated set of procedures for threat assessment. A threat assessment is a problem-solving approach to violence prevention that involves assessment and intervention with students who have threatened violence in some way. When a preliminary determination is made, by the school administrator or designee, that a student poses a threat of violence or physical harm to him/herself or others is known, a Threat Assessment Team (TAT) shall be notified and shall convene to determine the best course of action. Authorized members of the TAT may obtain criminal history record information, if applicable. Students determined to be at-risk for violence will be referred for mental health services. Threat assessment and disciplinary procedures are separate processes. Regardless of whether a threat is determined to be transient, serious substantive, or very serious substantive, appropriate disciplinary procedures shall be followed in accordance with the Code of Student Conduct.

- **Visitors**

Due to legal regulations, students are not permitted to have guests attend school with them at any time. Parents/guardians are always welcome, and tours may be arranged with the principal to view the school. Classroom visits require a request with 24-hour notice. All visitors must first register with security at the main entrance, sign-in, produce photo identification, and then proceed to register in

the main office. Anyone who fails to follow these procedures will be considered a trespasser and is subject to arrest.

### **SAFETY PATROLS**

The Safety Patrols are chosen by the Patrol sponsor from a list of students recommended from Fifth Grade teachers. Reliable, trustworthy pupils whose schoolwork and citizenship are exemplary are eligible for selection to the Safety Patrols. All students must obey the Safety Patrols when they are on duty at their post. Our Safety Patrols, supervised by a member of our staff, are part of our school safety program. Respect and obedience of patrol rules are expected at all times for the safety of your child. Most of our students walk to school, and many have to cross-busy streets and intersections. We ask parents to encourage their children to use all safety precautions. No jaywalking! It's dangerous and against the law.

Parents who transport their children should be aware of and observe the special signs, which require a driver to slow to a speed of 15 m.p.h. We also request that you do not pull into the teacher parking lot when dropping off or picking up the students. Please do not stop in the middle of the street to let the student out, as this is a very hazardous practice. Officers from the Public Safety Department often patrol the school in the morning and afternoons, and will issue tickets for violations of the above traffic practices. Parents should have periodic talks with their children about the hazards of talking to strangers while going to and from school. Students or parents should report to the principal any strangers whose cars are parked around the school or cruising the area. Students are instructed each day to go directly home from school before going anywhere else in the afternoon. Parents should reinforce this idea with their children so that we can avoid any needless anxiety.

### **SCHOOL ACTIVITIES/CLUBS**

All School Activities, clubs, and organizations must be approved by the principal and conform to the School Board Policies [5845 - Student Activities](#), [5830 - Student Fundraising](#) and [9211 – Parent Organization, Booster Clubs, and Other Fund-Raising Activities](#).

- ***Clubs***

Miami-Dade County Public Schools' students may participate in a wide variety of activities, including student council, subject-area clubs, honor societies, service clubs, school publications and class activities. School-sponsored clubs may be curriculum-related or noncurricular-related.

Curriculum-related clubs are student groups whose goals are an extension of the activities and objectives in a particular subject area within the school's curriculum. Conversely, noncurricular-related clubs are student groups whose goals are special interest oriented and not directly related to the curriculum. Meetings of noncurricular-related clubs may be scheduled only at times when instruction is not taking place, either before or after school.

### **SCHOOL CENTER FOR SPECIAL INSTRUCTIONS**

School administrators may elect to assign students to the School Center for Special Instruction (SCSI) as an interim alternative educational setting to suspension from school. SCSI is designed to provide strategies and resources to students focused on learning new behavior skills. When misconduct in a class results in an assignment to SCSI, the student should be reassigned from only the class in which the misconduct occurred. Continued misconduct can result in the reassignment from all classes.

### **SCHOOL CLASS PICTURE PROCESS**

The school class picture monies will no longer be collected by school staff for this activity. Collection of monies will be conducted by the photographer and/or photographer's staff.

At no time, shall a staff member, parent, volunteer, or member of a school-allied organization such as the PTA handle school class picture monies.

### **SCHOOL IMPROVEMENT PROCESS (SIP)**

The School Improvement Process is an initiative for achieving quality outcomes. It is constantly in a state of change as it moves forward to meet the needs of our students. The idea of education reform and school improvement is a vision of a better educational system. The new visions of schooling include:

- The school community working towards continuous quality improvement
- Learning that prepares students for the 21<sup>st</sup> century
- Learning experiences meeting the needs of students

Each school in the State of Florida has developed a School Improvement Plan with the help of teachers, students, administrative staff, parents, and community members depending on the needs of the students it serves.

The Dr. Rolando Espinosa K-8 Center family is committed to promoting higher expectations for all students and to accept only “peak performance” from each individual child. In taking on the responsibility of developing the potential of each student, we realize that changes in the delivery of instruction must occur. This process will be carried throughout the school year and it will be successful only with your help and support.

### **SCHOOL TRANSPORTATION**

Miami-Dade County Public Schools will transport more than 60,000 students a day this school year, using a fleet of 1,300 buses on nearly 1100 school-bus routes. The service is for students who live more than two (2) miles from their assigned school and for students with special needs in some instances.

Before school begins, parents/guardians of all students eligible for bus transportation will receive a post card from the school district identifying the student's bus stop and times of pick-up and delivery. Information on student bus assignments will be posted on the Parent Portal at [www.dadeschools.net](http://www.dadeschools.net). The information on bus assignments on the [Parent Portal](#) is updated each night. Parents/guardians are encouraged to check the Parent Portal throughout the school year to obtain the most current information on their children's bus assignment.

Parents interested in determining their child's transportation eligibility should contact their child's school for information.

### **SKATEBOARDS/ROLLER BLADES**

Due to the number of serious injuries caused by the use of skateboards and/or rollerblades, they are no longer permitted at the school.

### **SPECIAL EDUCATION/SECTION 504**

The School Board of Miami-Dade County ensures that all students suspected of having a disability are identified, evaluated, and provided appropriate, specially designed instruction and related services, if it is determined that the student meets the state's eligibility criteria and the parent/guardian consents to initial placement.

Students who are not eligible for specially designed instruction and related services in accordance with state eligibility categories but have a disability that substantially affects a major life activity may be eligible for accommodations pursuant to Section 504 of the Rehabilitation Act of 1973.

As the parent/guardian of a child with disabilities, you are a very important member of the team that plans your child's education. Be informed and get involved. If you have any questions, please contact your child's school. Staff from the special education department and your child's student service provider will help to answer your questions. Additional information may also be found at <http://ese.dadeschools.net/>.

Prior to referral for evaluation, the student must have been referred to the school's intervention team, known as the Student Support Team (SST).

Students with disabilities who are eligible and require special education will have an individual Educational Plan (IEP). The IEP describes the student's strengths and weaknesses and documents the services and supports the student needs in order to access a Free and Appropriate Public Education (FAPE) in the least restrictive environment (LRE).

Parent involvement in the special education process is very important. Parents will be asked to participate in the IEP process each year and to consider the need for their child's re-evaluation at least once every three years.

The Individuals with Disabilities Education Act (IDEA) states that parents of a child with a disability have certain procedural safeguards. The Summary of Procedural Safeguards for Parents of Students with Disabilities documents all the information about the rights of parents/guardians. This notice of procedural safeguards is made available to the parent, at a minimum, upon initial referral; or the parent's request for evaluation; upon the school district's refusal to conduct an initial evaluation that the parent has requested; upon each notification of an IEP meeting; upon consent for re-evaluation; upon the school district's receipt of a request for a due process hearing; and any other time the parent may request to receive a copy.

Other rights that are presented in the procedural safeguards document include, but are not limited to, the right of prior written notice; informed consent; participation in meetings; records, independent educational evaluation, mediation, state complaint; local education agency complaint; due process hearings; resolution meetings; due process; attorney fees; discipline; and private school placement.

## **SPECIAL PROGRAMS**

### **BILINGUAL PROGRAMS**

- English for Speakers of Other Language (ESOL)  
Children who lack native proficiency in English are scheduled into special classes, which focus on oral language skills. Bilingual Curriculum Content provides for teaching the content areas in the native language.
- Spanish for Spanish Speakers (Spanish –S)  
Spanish –S enables the native speakers of Spanish to maintain their oral language skills and introduces reading and writing skills.
- Spanish as a Second Language (Spanish–SL)

Spanish-SL is offered in Second through Fifth grade. It provides students the opportunity to learn to communicate in Spanish.

- **Extended Foreign Language (EFL)**  
The EFL Program is offered in selected classes in Kindergarten through Fifth grade. Language Arts and curriculum content are taught in both English and Spanish. The program is designed for a group of students who, after successfully participating in the program for one year, are automatically enrolled in the subsequent grade level in order to move towards a continuum of bilingual studies. In order to remain in the program students must maintain a “C” or above grade in all the core subject areas and score 80% or higher on the EFL comprehensive exam given in May.
- **Curriculum Content in the Home Language (CCHL)**  
The CCHL Program offers basic skills and concept in a language other than English. Instruction in the home language complements each curriculum in English and is offered where there are limited English proficient students and in special programs, such as Bilingual School Organization and special language centers.

### **CAMBRIDGE PROGRAM**

The Cambridge Program offers an international, pre-university curriculum and examination system that emphasizes the value of a broad and balanced study for academically able students. The Cambridge curriculum aims to encourage the skills of independent research and investigation, the use of initiative and creativity and the application of knowledge and skills. A range of assessment techniques is used. An important principle of this examination system is that students are rewarded for positive achievement - what they know, understand, and can do - rather than being penalized for an accumulation of errors. This requires students to demonstrate a high level of literacy and the ability to organize knowledge and ideas to produce reasoned, written responses.

### **FINE ARTS PROGRAM**

- The Art program provides opportunities for students to develop talents in drawing, painting, printmaking and various other crafts.
- The Music program develops appreciation as well as actual vocal and instrumental skills in this important area.

### **STUDENT RECORDS**

The education records and personally identifiable information of students are protected by [The Family Educational Rights and Privacy Act \(FERPA\)](#) and the Florida Statutes. These laws provide that without the prior consent of the parent, guardian or eligible student, a student's records may not be released, except in accordance with the provisions listed in the above-cited laws. The laws provide certain exceptions to the prior consent requirement to the release of student records, which include, but are not limited to, school officials with a legitimate educational interest and lawfully issued subpoenas and court orders with notice prior to disclosure. Parents and eligible students are also provided the right to challenge the accuracy of their education records in accordance with the procedures outlined in [School Board Policy 8330](#).

Each school must provide to the parent(s), guardian(s) or eligible student(s) an annual notice in writing of their right to inspect and review student records. Once a student reaches 18 years of age or is attending an institution of post-secondary education, the consent is required from the student only, unless the student qualifies as a dependent under the law.

### **STUDENT SERVICES**

The Division of Student Services provides prevention and intervention services to PK-Adult students throughout the District. These services focus on the elimination of social and emotional barriers that inhibit students' academic success and prepare students to be college and career ready. An integrated team of uniquely trained student services professionals deliver these direct services to students.

### **STUDENT RIGHTS AND RESPONSIBILITIES**

The rights and responsibilities presented in the Code of Student Conduct reflect the need for providing students with greater opportunities to serve themselves and society, and allow students maximum freedom under law, commensurate with the schools; responsibility for student health, safety, and welfare.

### **STUDENT UNITED WAY**

The Student United Way Campaign gives our students an opportunity to give back to the community. A variety of fund raising activities will take place during this time. In the past our students and their families have been very generous.

### **THE PARENT ACADEMY**

Miami-Dade County Public Schools created The Parent Academy to bridge the gap between home and school by connecting parents to valuable resources and information, which answers questions on topics that impact children's lives, including helping children learn, parenting skills, financial management, and health and wellness.

The Parent Academy supports parents in becoming more involved in their children's education and empowers them to set and achieve personal empowerment goals for higher education and career advancement by providing free, year-round workshops, classes and events at schools, libraries, parks, colleges, private businesses and neighborhood centers across the county.

Parents can participate in workshops and classes that are aligned to their needs and convenient to their homes and workplaces. Upcoming events and workshop offerings are listed on The Parent Academy website at [parentacademymiami.com](http://parentacademymiami.com). For additional information, please call The Parent Academy at 305-995-2680 or The Department of Family Support Services at 305-271-8257.

### **TELEPHONE/TELEPHONE MESSAGES**

The school is equipped with a business telephone, (305) 889-5757, to help transact the business of the school and our lines must be kept open for this purpose. Children may not use the telephone except for EMERGENCIES.

Telephone calls to the school regarding a change in who will be picking up a student after-school, or how the student will be going home will not be reported to the child. The reason for this action is that the school cannot determine if the person calling over the phone is indeed an authorized contact person. Such changes need to be prearranged in person by an authorized contact person from the emergency contact card in the main office. The authorized contact person will be required to show a picture identification card. This procedure has been established to insure your child's safety at our school.

Students will not use the office telephone for personal calls except in an emergency and with staff permission.

Teachers are in their classrooms during the day. You are welcome to call the office and leave a message for your child's teacher and they will return your call within 24 hours.

### **TEXTBOOKS**

Students are responsible for taking care of assigned textbooks and materials. Textbooks are very expensive and if your child loses or damages a textbook or textbooks, a fee will be charged to replace the book. Please encourage your child to take proper care of school materials.

### **TRANSGENDER AND GENDER NON-CONFORMING STUDENTS**

The School Board of Miami-Dade County has adopted comprehensive anti-discrimination and anti-bullying policies that require all students be treated with respect regardless of their unique characteristics, including sexual orientation or gender identity.<sup>1</sup> Every student has the right to learn in a safe and accepting school environment and schools have a responsibility to provide a safe and nondiscriminatory environment for all students, including transgender and gender nonconforming students.

These guidelines are intended to promote a positive, proactive approach that upholds and protects the rights of transgender and gender nonconforming students; and best practices to ensure that transgender students and gender nonconforming students have equitable access to all aspects of school life (academic, extracurricular and social) in ways that preserve and protect their dignity.

### **TRANSFERS/WITHDRAWALS**

Students who move out of our attendance area are not eligible to attend Dr. Rolando Espinosa K-8 Center. Please notify the school office, in person, two days before you expect your child to withdraw or transfer to another school. You will need special transfer papers to register your child in another school. Proof of new address, (in the form of a light bill, a lease, or a closing statement) **MUST BE PRESENTED** before a transfer can be issued. These three things are the **ONLY** ones acceptable to issue transfer papers.

A student wishing to transfer from one school to another within Miami-Dade County shall obtain the transfer from his or her present school before being admitted to another school. Verification shall include either of the two items listed below or a letter issued by a School Social Worker.

- A broker's or attorney's statement that verifies the parent's purchase of residence or a properly executed lease agreement; and
- An electricity deposit receipt or billing statement that shows the parent's name and service address. If the deposit receipt is used, the billing statement must also be submitted to the school within 40 days of registration or the transfer will be revoked.

We retain the right to ask for proof of address and completion of transfer contract at the time a student transfers into Dr. Rolando Espinosa K-8 Center. **Students who are on Region or District approved transfers are required to adhere to school rules and procedures or their transfer may be revoked by the Principal.**

### **TRANSPORTATION ELIGIBILITY**

Students will be assigned a bus if the distance between the home and the school exceeds two miles, or if the distance between the home and the nearest bus stop exceeds 2 miles. Students who do not meet these requirements are not eligible for transportation services.

## **VERIFICATIONS OF RESIDENCY**

If verification is not provided or acceptable, the Superintendent may verify the student's residence.

Anyone who knowingly makes a false statement in writing with the intent to mislead a public servant in the performance of his/her official duty is guilty of a second-degree misdemeanor of the second degree under [Florida Statute 837.06](#). In addition, anyone who knowingly makes a false verified declaration is guilty of perjury, a third-degree felony under [Florida Statute 95.525](#).

## **VISITORS**

Due to legal regulations, students are not permitted to have guests attend school with them at any time. Parents/guardians are always welcomed. Classroom visits require a 24-hour notice. Visitors must first sign-in and produce photo identification at the main office. Anyone who fails to follow these procedures will be considered a trespasser and is subject to arrest.

Parents are welcome to visit our school (on official school business), however, we do ask that you adhere to school board policy regarding parent visitation. Between the time pupils are admitted to the classroom and the time they are dismissed, teachers must be permitted to devote their attention to their pupils. No conferences can be held while teachers have direct responsibility for children. In certain instances, appointments can be scheduled during the teacher's "special subject" or planning periods throughout the day at the teacher's discretion. Parents or members of the community are not permitted to "socialize" with employees during the workday. Parents are not permitted to visit a teacher's room without an appointment and only after signing in the main office first.

We appreciate your cooperation in providing a positive learning environment for our children. It is expected that all visitors observe fire regulation and refrain from smoking on school grounds.

## **WALKERS**

- Students who are instructed by their parents to walk must do so immediately upon dismissal. Students cannot wait in any area on school grounds unsupervised. Your child will be escorted by designated staff to the outside walkways and asked to leave school grounds immediately after dismissal.
- If your child walks to and/or from school, please discuss safety measures with your child in order to increase safety awareness.
- We have school security monitors to help increase our students' safety. Please ask your child to follow their instructions.
- Under no circumstances should older siblings or relatives attending Dr. Rolando Espinosa K-8 Center be made responsible for their younger siblings or relatives while waiting for parents.

Under no circumstances should any student remain in the building or return to the building after dismissal. All students are expected to leave school grounds within 15 minutes following dismissal time except for students who are enrolled in the After School-Care Program. Students who remain on or around the school grounds for a longer period of time (more than 15 minutes) after dismissal are considered high risk.

## **WALKING YOUR CHILD TO SCHOOL**

When walking your child to school, all children are to be walked to the basketball court entryway. **Please note that there is no entry into the building.**

- Make sure your child's route to school is a safe route with adult crossing guards at every intersection.
- Be realistic about your child's pedestrian skills.
- First consider whether or not your child is ready to walk to school without an adult.

Pedestrian injuries are the second leading cause of unintentional death among children ages five to 14. If your child walks to school, or to a bus stop, teach them these simple rules:

- Look left, right, and left again before crossing the street.
- Always try to cross a street when a crossing guard is present.
- Mind all traffic signals and/or the crossing guard, and never cross the street against a light, even if there is no traffic coming.
- Walk with a buddy.

## APPENDIX F – Standard Response Protocol

# STANDARD RESPONSE PROTOCOL

## PARENT GUIDANCE

In the event of a live incident, parents may have questions about their role.

## SECURE

**“Get Inside. Lock outside doors”**

Secure is called when there is something dangerous outside of the building. Students and staff are brought into the building and the outside doors will be locked. The school might display the Building is Secured poster on entry doors or nearby windows. Inside, it will be business as usual.

### SHOULD PARENTS COME TO THE SCHOOL DURING A SECURE EVENT?

Probably not. Every effort is made to conduct classes as normal during a secure event. Additionally, parents may be asked to stay outside during a Secure event.

### WHAT IF PARENTS NEED TO PICK UP THEIR STUDENT?

Depending on the situation, it may not be safe to release the student. As the situation evolves, Secure might change to a Monitored Entry and/or Controlled Release.

### WILL PARENTS BE NOTIFIED WHEN A SCHOOL GOES INTO SECURE?

When a secure event is brief or the hazard is non-violent, like a wild animal on the playground, there may not be a need to notify parents while the Secure is in place.

With longer or more dangerous events, the school should notify parents that the school has increased their security.

## LOCKDOWN

**“Locks, Lights, Out of Sight”**

A Lockdown is called when there is something dangerous inside of the building. Students and staff are trained to enter or remain in a room that can be locked, and maintain silence.

A Lockdown is only initiated when there is an active threat inside or very close to the building.

### SHOULD PARENTS COME TO THE SCHOOL DURING A LOCKDOWN?

The natural inclination for parents is to go to the school during a Lockdown. Understandable, but perhaps problematic. If there is a threat inside the building, law enforcement will be responding. It is unlikely that parents will be granted access to the building or even the campus. If parents are already in the school, they will be instructed to Lockdown as well.

### SHOULD PARENTS TEXT THEIR STUDENTS?

The school recognizes the importance of communication between parents and students during a Lockdown event. Parents should be aware though, during the initial period of a Lockdown, it may not be safe for students to text their parents. As the situation resolves, students may be asked to update their parents on a regular basis.

In some cases, students may be evacuated and transported off-site for a student-parent reunification.

### WHAT ABOUT UNANNOUNCED DRILLS?

The school may conduct unscheduled drills, however it is highly discouraged to conduct one without announcing that it as a drill. That's called an unannounced drill and can cause undue concern and stress.

Parents should recognize that the school will always inform students that it is a drill during the initial announcement.

It's important to differentiate between a **drill** and an exercise. A drill is used to create the “Muscle Memory” associated with a practiced action. There is no simulation of an event; this is simply performing the action. An exercise simulates an actual event to test the capacity of personnel and equipment.

# STANDARD RESPONSE PROTOCOL

## INFORMATION FOR PARENTS AND GUARDIANS

Our school has adopted The "I Love U Guys" Foundation's Standard Response Protocol (SRP). Students and staff will be training, practicing, and drilling the protocol.

## COMMON LANGUAGE

The Standard Response Protocol (SRP) is based on an all-hazards approach as opposed to individual scenarios. Like the Incident Command System (ICS), SRP utilizes clear common language while allowing for flexibility in protocol.

The premise is simple - there are five specific actions that can be performed during an incident. When communicating these, the action is labeled with a "Term of Art" and is then followed by a "Directive." Execution of the action is performed by active participants, including students, staff, teachers and first responders. The SRP is based on the following actions: Hold, Secure, Lockdown, Evacuate, and Shelter.

**Students** are trained to:

- Clear the hallways and remain in their area or room until the "All Clear" is announced
